

A historical black and white photograph of a street in Sion, Switzerland. The street is lined with multi-story buildings, some with balconies and arched windows. In the background, snow-capped mountains are visible. The street is filled with people, some walking and some standing. The text "VALAIS-WALLIS TIME MACHINE" is overlaid in large, white, bold, sans-serif capital letters across the center of the image.

VALAIS-WALLIS TIME MACHINE

J. J. 7284 Sion - La Grenette

IN THE HEART OF THE SWISS ALPS
